

NOTICE AND INVITATION TO BIDDERS
CONTRACT NO. 165420/165423
FAP NO. FAP-17-0004-L
BID NO. 18.110

Notice is hereby given that the Broken Arrow Municipal Authority (BAMA) in concert with the Oklahoma Water Resources Board (OWRB) Financial Assistance Program (FAP) is accepting Bids on the following Work:

LYNN LANE WASTEWATER TREATMENT PLANT (LLWWTP) HEADWORKS

IMPROVEMENTS: The project is located at 13874 S 177th E Ave. Broken Arrow, OK 74011. The Project consists of constructing a new headworks facility including fine screening, grit removal, and raw sewage influent pumping.

Contract No: 165420/165423
FAP Project No: FAP-17-0004-L

MANDATORY PRE-BID CCONFERENCE: August 22, 2017 at 9:00 AM at the City of Broken Arrow Operations Building located at 485 N Poplar Ave., Broken Arrow, OK 74012. Following the pre-bid meeting, a tour of the Project site will be conducted.

Sealed Bids for the construction of the Lynn Lane Wastewater Treatment Plant (LLWWTP) Headworks Improvements Project will be received by the Broken Arrow Municipal Authority, at the Broken Arrow Operations Office Building at 485 N. Poplar Avenue, Broken Arrow, OK 74012, until **2:00 PM** local time on **September 5, 2017**, at which time the Bids received will be publicly opened and read. Bids will be received for a single prime Contract. Bids shall be on a lump sum basis, with deductive alternate bid items as indicated in the Bid Form.

Contract Documents can be examined or obtained at the Engineering and Construction Department, 485 N. Poplar Ave., Broken Arrow, Oklahoma 74012. There will be a non-refundable charge for Plans and Specifications to be paid at the time they are obtained (\$200.00 for full-size drawings and a flash drive with Plans and Specifications). If requested Plans are to be mailed, an additional \$20.00 will be required or the prospective buyer may provide its FedEx account number. Plans are available by paying with a credit card either by phone or in person. If obtaining Plans by phone, please have the credit card number and shipping account number available. A plan holders list may be obtained by calling the Engineering and Construction Department at (918) 259-7000, ext. 5414.

The Broken Arrow Municipal Authority reserves the right to waive any informalities, to reject any or all Bids, and to accept the Bid that is the most advantageous to the City.

Sealed Bids must be delivered to the Engineering and Construction Department, located at 485 N. Poplar Ave., by **2:00 p.m. on September 5, 2017**. Date of Bid opening and Bid number **MUST** appear on the lower left outside corner of Bid envelope and all related correspondence. Each bid shall be accompanied by a bid security as described in Instruction to Bidders.

If mailed, please address as follows:

Engineering and Construction Department
City of Broken Arrow
485 N. Poplar Avenue
Broken Arrow, OK 74012

BIDS WILL BE OPENED and read aloud immediately after bids are received at the Broken Arrow Operations Office Building located at 485 N. Poplar Avenue. The acceptance and award of this Bid will be considered by the Broken Arrow Municipal Authority. The lowest responsible Bidder will be notified within ten (10) working days of the Bid opening as to when this Public Construction Contract will be placed on the Broken Arrow Municipal Authority agenda for consideration.

Equal Opportunity in Employment: All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age or handicap. Bidders on this work will be required to comply with the President's Executive Order No. 11246, as amended. The requirements for bidders and contractors under this order are explained in the specifications.

A Bidder's Surety Bond or a cashier's or properly certified check upon a bank or trust company must accompany each Proposal for an amount equal to five percent (5%) of the total Bid made payable, without reserve, to Broken Arrow Municipal Authority. The successful Bidder must, within ten (10) days after receiving notice of award and before or at the time of entering into Contract, furnish a Performance Bond, Statutory Bond and Maintenance Bond in the forms prescribed by BAMA in the amounts equal to the Contract Price.

Coordination of drawings and specifications: These Project Drawings, Technical Specifications, and all supplementary documents are essential parts of the Contract and a requirement in one is as binding as if in all. The City intends them to be complementary and to describe a complete Contract. In case of discrepancy between the Contract documents, the order of precedence is as follows: (1) For Information, Technical Specifications over Drawings; (2) For Dimensions, Project Drawings over Specifications. Project Drawings and Specifications both take precedence over supplementary documents.

BAMA proposes to begin actual work within ten (10) days of notification to proceed. Contract time shall be completed within Four Hundred Eighty-Five (485) days after the date when the Contract times commence to run and ready for final payment within Five Hundred Eighty-Five 548 days after the date when the Contract Times commence to run. Liquidated damages for this Contract are in the sum of One Thousand dollars and no cents (\$1,000.00) per day for each day the Contractor exceeds the Contract time for completion. This amount is fixed and agreed upon because of the impracticability and extreme difficulty of fixing and ascertaining the actual damages sustained by BAMA in such event.

The Authority, action on behalf of the City of Broken Arrow, is exempt from the payment of sales taxes or use taxes, and pursuant to Title 68 O.S. Section 1356(10), direct vendors to the Authority are also exempt from those taxes. A bidder may exclude from his bid appropriate sales taxes which he will not have to pay while acting for and on behalf of the Broken Arrow Municipal Authority. See Broken Arrow Municipal Authority's Standard Contract Terms and Conditions for Public Construction Contracts.

Owner shall issue a Notice to Proceed within ten (10) days after the Owner executes the agreement.

Contractor shall begin construction within ten (10) days after the date shown on the Notice to Proceed.

Alex Mills, P.E., CFM
Director of Engineering and Construction
